# PISTE YOUTH REQUIREMENTS

PROGNOSTIC INTEGRATIVE SYSTEMATIC IRAINER ESTIMATION

SEASON 2024-2025

# Introduction

In Artistic Swimming PISTE is used as a tool to detect future talents of the sport for the selection of regional and national team members. The PISTE test serves as the basis for obtaining the Swiss Olympic Talent Card. PISTE stands for **P**rognostic Integrative **S**ystematic **T**rainer **E**stimation.

### **PISTE CATEGORIES**

The athletes are divided into 4 categories according to the year of birth of a swimmer. The PISTE 2025 serves as the basis for the distribution of the Swiss Olympic Cards 2025-2026 and national team selection 2025-2026. Junior swimmers fulfilling the minimum year of birth can participate in PISTE Junior and Elite.

Season	KIDS (J3)	YOUTH (J2)	JUNIOR (J1)	ELITE	Selection for national team and SOTC
2024–25	2014 & younger	2013-2021–2011	2010-2009– 2008-2007	2009 & older	2025–2026
2025-26	2015 & younger	2014-2013-2012	2011-2010-2009- 2008	2010 & older	2025-2026

To take part in the PISTE 2024 the swimmers must have the following test level the latest by PISTE Day:

KIDS (J3)	YOUTH (J2)	JUNIOR (J1) /ELITE
3	4	5

### SWISS OLYMPIC TALENT CARDS

Swiss Olympic Cards are distributed to the swimmers that fulfill the given requirements. Cardholders can profit from various benefits from different partners and easy access to certain athletic infrastructures and sports schools. More information regarding the Swiss Olympic Cards can be found on their website: https://www.swissolympic.ch/athleten-trainer/swiss-olympic-card

Swiss Olympic Card Elite: distributed to elite national team members.

Swiss Olympic Talent Card National: distributed to the national team members.

Swiss Olympic Talent Card Regional: distributed to regional team members and/or athletes that reach the minimum required points.

### NATIONAL TEAM SELECTION

National teams are selected according to the selection process and selection policy of Swiss Aguatics -Artistic Swimming. All athletes including current national team members must take part in the PISTE 2025.

### **REQUIREMENTS PISTE 2025**

The PISTE requirements were reviewed in 2023 in collaboration with Swiss Olympic. The aim was to introduce additional factors alongside land and water exercises and competition results in order to better predict an athlete's future performance at elite level. Previously, only an athlete's current performance was taken into account. Now, the athlete's environment is also considered as a predictive factor. A swimmer's relative age and biological stage of development are measured, and the results are adjusted accordingly. In the revision of PISTE 2025, new land and water tests were introduced to promote specific skills, including core stability, active flexibility, extension and acrobatic skills. In addition, more general improvements have been made (e.g. specification of penalties, adaptations of scales for more balanced scores, etc.).

The PISTE 2025 includes the same factors as the PISTE 2024:

- 1 Land and Water Tests
- 2 Competition results
- 3 Environment
- 4 Relative Age and Biological State of Development

### **CALCULATION OF RESULTS**

The following formula and table provide an overview of how the results of the various PISTE parts are calculated.

Final Result per athlete = [(Land test\_weighted + Water tests\_weighted + Competition results\_weighted) \* Factor Environment \* Correction factor of Biological State of Development (BSD) and Relative Age (RA)

Category		Land tests	Water tests	Competition results	Environment	Correction BSD and RA*
ELITE	&	30%	70%	-	1.0-1.01	correction per age*
JUNIORS						
YOUTH		30%	40%	30%	1.0-1.05	correction per age*
KIDS		30%	40%	30%	1.0-1.1	correction per age*

<sup>\*</sup> Mean value from scientific studies, see also ranking tool PISTE Swiss Olympic.

### **PENALTIES**

### SPECIFICATION OF PENALTIES

These penalties are valid for all categories

1. Exercise "Height"

Penalty: 2 points per position if the number of beats is not respected.

2. Exercise "BB+BR"

Penalty: 2 points per element if the counts are not respected.

- 3. Routine Set
  - Penalty for counts not respected: deduction for obvious error (0.5-point penalty).
  - Penalty for movement not done: deduction for major error (3.0-point penalty).
  - Touching the floor at any time will result in a deduction of 2 points from the total score.

Additional penalties and zeros may be assigned by the referee.

### GYM DEVELOPMENT PROGRAM FOR JUNIOR NATIONAL TEAM ATHLETES

- 1. PISTE (In-Person Session) Once a Year
- 2. Assessment during training camp Twice a Year Objective: To maintain continuity in training, and monitor the progressive development and improvement of general physical and special physical preparedness.

### OFFICIALS BEHAVIOUR

Professional Coach behaviour is essential to maintain professionalism, fairness, and sportsmanship. Coaches are expected to show respect towards judges, referees, and other officials at all times. Any disagreements or concerns should be addressed through the appropriate channels in a respectful manner. Coaches must promote fair play and integrity among their athletes, discouraging any form of cheating, unsportsmanlike conduct, or rule violations. During the PISTE sessions, coaches are responsible for guiding their athletes through the warm-up. However, during the PISTE trials, coaches must respect the competition zone and are not allowed to enter it while the trials are in progress. Club coaches may watch from the stands.

### **PUBLICATION OF RESULTS**

The provisional results will be published within two weeks after the PISTE Day. Protests/objections can be made up to two weeks after publication of the provisional results. After that, protests/objections will no longer be possible at a later point in time.

# 1 LAND AND WATER TESTS

### LAND TESTS YOUTH

### **UPPER BODY COMBINATION**

- A) 30 seconds plank with straight leg kicks
  - Shoulders, hips and heels in a line ——
  - Hands and shoulders in a line-
  - Foot and Legs need to reach the horizontal line of the shoulders

- B) 15 seconds triceps push ups
  - Chest touching pull boy
  - Elbows touching the body

a) planck with legs kicks

b) triceps push-ups

- A) Plank position + leg kicks evaluation: Mark for execution.
  - 8: Correct and stable execution
  - 6: Slight loss of line between shoulders and hands and/or slight loss of core control
  - 4: Significant loss of core control, loss of extension of elbows and/or knees, loss of line between shoulders and wrists, loss of line between head and shoulders
  - 2: Evident instability of position and inability to maintain position without noticeable changes
  - 0: No execution was performed

### B) Triceps push-ups Evaluation

Repetitions	Score	Repetitions	Score	Repetitions	Score
≥ 15	10.0	9	7.0	3	3.0
14	9.5	8	6.5	2	2.0
13	9.0	7	6.0	1	1.0
12	8.5	6	5.5	0	0.0
11	8.0	5	5.0		
10	7.5	4	4.5		

Only well executed repetitions will be counted.

# Lower Body combination

- A) **45 seconds** jump rope with 150BPM metronom
- B) 20 seconds squats
  - 80°-90° between thighs and tibias
  - arms in line with the shoulders

### C) 15 seconds jumps

- legs open
- 90° or less between thighs and tibias
- Both hands touch the floor
- arms are vertical
- pointing toes

A) Jump rope evaluation  $\rightarrow$  max 10 points (= 1 repetition per second)

# of stops	Score	# of stops	Score
0	8.0	3	4.0
1	6.0	4	3.0
2	5.0	5	1.0

B) squats evaluation  $\rightarrow$  max 10 points (= 1 repetition per second)

Reps	Score								
≥ 20	10.0	16	8.0	12	6.0	8	4.0	4	0.0
19	9.5	15	7.5	11	5.5	7	3.0		
18	9.0	14	7.0	10	5.0	6	2.0		
17	8.5	13	65	9	45	5	10		

C) jumps evaluation  $\rightarrow$  max 10 points (= 1 repetition per second)

Reps	Score	Reps	Score	Reps	Score	Reps	Score
≥ 15	10.0	11	8.0	7	6.0	3	3.0
14	9.5	10	7.5	6	5.5	2	2.0
13	9.0	9	7.0	5	5.0	1	1.0
12	8.5	8	6.5	4	4.5	0	0.0

Only well executed repetitions will be counted.

### Core Strength

Parts A) to C) must be performed without breaks.

- A) Jack Knives with One Leg (14 repetitions, 7x right-7x left, change the leg after each repetition)
- Begin by lying flat on your back with your arms extended straight above your head, touching the pull buoy, and your legs fully extended, also touching the pull buoy.
- Raise your legs and simultaneously lift your upper body, reaching your hands towards your feet.
- Lower your legs and upper body back to the starting position (touching the pull buoy with hands and feet every repetition).

- B) V-Sit with Two Legs (5 seconds hold)
- Start by lying on your back with your legs together and arms extended straight above your head.
- Simultaneously lift your upper body and legs to a V-sit, balancing on your sit bones.
- Hold V-sit position for 5 seconds, engaging your core muscles to maintain balance.

This position will be rewarded with 7 points, as hands are touching ankles at all times.

- C) Candlestick Hold (5 seconds)
- From the V-sit position, sharply lift your legs up and roll back onto your shoulders in one motion, lifting your lower back off the ground.
- Extend your legs towards the ceiling, reaching as high as possible while keeping arms extended on the floor for support.
- Maintain a tight core and stable balance, holding the candlestick position for 5 seconds.

This position will be rewarded with 10 points, as perfect line with deviation of 5° from vertical line at all times is achieved.

### **EVALUATION CRITERIA FOR CORE STRENGTH EXERCISES**

Score	10 points	7 points	5 points	3 points	1 point	0 points
Jack Knives	Hands touch	Hands touch	Hands touch	Hands touch	Poorly	
	feet in all	ankles in all	shins in all	knees in all	executed

NATIONAL PARTNERS

# Right, left, and middle splits on land

1 to 6 kickboards on both feet. 1 score for each split (right, left and middle)

- Extended knees (both legs)
- Position of the back leg (no rotation)
- Hips on the floor
- Hips, shoulders, and head on one vertical line
- Right and left: straight arms behind the hips
- Side: elbows on the floor

Kickboards height = 3.0 cm

Kickboards	Score	Kickboards	Score
6	10.0	2	6.0
5	9.0	1	5.0
4	8.0	0	4.0
3	7.0	Not flat	2.0

# Arch (active back flexibility)

Maintain the arch position for 5 seconds.

The distance between the fingers and the natural line behind the knee is measured.

Distance	Score	Distance	Score	Distance	Score
-16.0 cm	10.0	-2.0 cm	6.5	12.0 cm	3.0
-14.0 cm	9.5	0.0 cm	6.0	14.0 cm	2.5

SPONSORS

# Feet and legs extension

Sitting in a pike position (straight back, head, shoulders, and hips in a vertical line), maximum extension of the legs and feet. The 2 distances will be measured:

A) Between the floor and the heels

Distance	Score	Distance	Score	Distance	Score
≥ 5.5 cm	10.0	3.0 cm	7.5	0.5 cm	5.0
5.0 cm	9.5	2.5 cm	7.0	0.0 cm	4.5
4.5 cm	9.0	2.0 cm	6.5		
4.0 cm	8.5	1.5 cm	6.0		
3.5 cm	8.0	1.0 cm	5.5		

B) Between the floor and big toe

Distance	Score	Distance	Score	Distance	Score
≤ 2 cm	10.0	4.5 cm	7.5	7 cm	5.0
2.5 cm	9.5	5 cm	7.0	7.5 cm	4.5
3 cm	9.0	5.5 cm	6.5	8 cm	4.0
3.5 cm	8.5	6 cm	6.0	8.5 cm	3.5
4 cm	8.0	6.5 cm	5.5	≥ 9 cm	3.0
5.0 cm	8.0	10.0 cm	5.5	≥ 15.0 cm	3.0

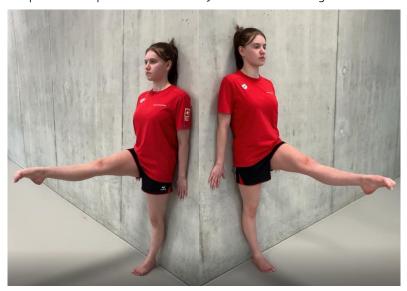

# Standing Leg Extension at 90°

### **EXECUTION**

- Stand upright with your back against a wall, ensuring your head, shoulders, glutes, and heels are in contact with the wall for stability and alignment.
- Keep your hips squared and aligned with the wall.
- Lift one leg straight out in front of you, aiming to reach a 90° angle with your torso. The extended leg should remain straight and aligned with your body.
- Hold the extended leg at the 90° angle for a duration of 10 seconds.
- Focus on maintaining proper alignment with your head, shoulders, glutes, and heel against the wall throughout the hold.
- Ensure your hips remain squared and avoid any rotation or twisting.

### **EVALUATION**

Score	Scoring Criteria
10 points	Successfully maintain the extended leg at 90° for the full 10 seconds without any deviations or adjustments. Maintain proper alignment against the wall.
5 points	Hold the leg at 90° but may require minor adjustments to maintain balance or alignment with the wall.
2 points	The leg reaches 90° briefly but does not sustain the position for the full 10 seconds or requires significant adjustments.
0 points	If the leg drops below a 45° angle at any point during the 10-second hold, the exercise is considered failed.

For both the right and left leg, a separate score will be given. The average of both scores will be taken. During the exercise, up to two corrections can be given. If not corrected, the score will be downgraded accordingly.

### Basic Acrobatics: Front and Back Walkover\*

### **EXECUTION OF FRONT WALKOVER:**

- Begin with one leg extended in front of you on point, arms raised overhead, and positioned near to the ears. Lunge forward and quickly raise one leg, with the other leg following as if transitioning to a handstand.
- The legs are held straight in a split as they travel overhead.
- The back is then arched until the leading foot touches the floor, such that the performer is briefly in a back bridge position.
- After the trailing foot reaches the floor, return to a standing position with one foot extended in front and arms raised.

- \* The video is available on the website
- \*Judged by National Team Coaches
- \*it is allowed up to two attempts to complete the exercise.

### **EVALUATION:**

Awarded a score of 2 if the walkover is DONE, a score of 1 if DONE with Assistance (an outstretched arm placed at the lower back), and a score of 0 if NOT DONE.

### **EXECUTION OF BACK WALKOVER:**

- Begin with one leg extended in front of you on point, arms raised overhead, and positioned near to the ears.
- Kick one leg backward while extending arms overhead.
- Transition smoothly into a back bridge, arching the back with hands supporting.
- Extend the other leg into a split position.
- Reverse the movement by lowering the extended leg, pushing through arms and legs to return to start position with arms overhead.

- \* The video is available on the website
- \*Judged by National Team Coaches
- \*it is allowed up to two attempts to complete the exercise.

### **EVALUATION:**

Awarded a score of 2 if the walkover is DONE, a score of 1 if DONE with Assistance (an outstretched arm placed at the lower back), and a score of **0** if **NOT DONE**.

### WATER TESTS YOUTH

### Propulsion combination (100 m without break)

The swimmer performs without breaks:

### A) Front Pike Position

• beginning of the lap: 4 counts to prepare in eggbeater, 4 counts kick to the side, 2 counts arm transition forward, 2 counts to arrive to pike, 2x8 counts hold front pike position, finish with rapid walkover.

Performed to a metronome at 160 beats per minute.

### B) 25 meters Torpedo

- starting in back layout position after walkover
- end of distance: feet touch the wall

### C) 25 meters Ballet Leg (right of left leg is optional)

- rise up the leg passing through the bent knee layout position
- end of the lap: touch the wall with the head
- lower the leg while passing through the bent knee layout position

## D) 12.5 meters LATERAL Eggbeater (right or left is optional) + 12.5 meters LATERAL Eggbeater Arm at 90° (right or left is optional)

- beginning of the lap: leg push from the wall is NOT allowed, lap needs to be started with resurfacing from under water
- opposite arm than direction of movement straight at the surface (small movements with remaining arm are allowed)
- at 12.5m kick to reach side position, lift arm at 90° off the surface, remaining arm straight at the
- end of lap: lower arm straight down, body turns 270° around body axis in eggbeater

### E) 12.5 meters FRONT Eggbeater + 12.5m of side flutter kick arm at 90° (right or left is optional)

- beginning of the lap: leg push from the wall is NOT allowed
- arms in the water (small movements are allowed)
- at 12.5m kick to reach side position, start flutter kick
- arm in direction of movement straight at the surface, arm in opposite direction of movement at 90° off the surface

1 mark (0.25) for execution will be given for each part (A-E) respecting the following criteria. The average will be taken.

### **EXECUTION OF PROPULSION COMBINATION:**

### Transition into Pike Position

- Pike Position: Angle 90° degrees
- Legs dry at the surface
- Entrance with back extended, shoulders rotating from side position to horizontal front position
- Hips need to arrive at the starting point of the head
- The rapid walkover is executed through either a right or left split

### Torpedo

- Legs: Extension of legs, position of legs at the surface
- Core: correct position of hips (no seated position, no rotation), control of core
- Upper Body: shoulders pushing down and back, shoulder blades together, long and extended neck position, only the face out of the water-not the whole head, chin pointing at the ceiling
- Sculling: efficiency of sculling, regular rhythm and pressure of sculls
- Arms: elbows don't move, lower arms and hands move in horizontal line/no push-ups, flat palms and angel between palm and lower arm is 90°, angel between upper arm and lower arm is 45°

### **Ballet Leg**

- Legs: Extension of legs, angle between legs needs to be 90°, lower foot dry at the surface
- Upper body: shoulders pushing down and back, shoulder blades together, long and extended neck position, only the face out of the water-not the whole head, chin pointing at the vertical position, chest is at the surface
- Core: Hips near the surface
- Sculling: efficiency of sculling, regular rhythm and pressure of sculls
- Arms: elbows don't move, lower arms and hands move in horizontal line/no "up and down", flat palms-not breaking the surface-no splash

### LATERAL Eggbeater + LATERAL Eggbeater Arm at 90°

- Legs: knees close to the surface, position of knee does not move, upper leg stay-lower legs move
- Movement of legs: circle movement, no extension
- Posture: shoulders pushing down and back, shoulder blades together, long and extended neck position, lifted chin position, chest is open
- Arms: opposite arm than direction of movement in a straight and stretched position

### **FRONT Eggbeater**

- Legs: knees close to the surface, position of knee does not move
- Movement of legs: circle movement, no extension
- Posture: shoulders pushing down and back, shoulder blades together, long and extended neck position, lifted chin position, chest is open

### Side flutter kick Arm at 90°

- Upper body: straight on the surface, head on the surface looking straight at the wall.
- Legs: legs and body build one straight line, legs move symmetrically: same angle of front and back leg towards the body, leg position need to be close to the surface
- Arms: straight and extended arms, palm of lifted arm facing in opposite direction of movement

### **Body Boost Barracudas**

The swimmers will perform without break:

- 1 Body boost without arms up
- 1 Barracuda
- 1 Body boost 2 arms up
- 1 Barracuda Flying Fish Spin 360°

1 mark will be given for each body boost and each barracuda following the AQUA Artistic Swimming Manual for Judges, Technical Controllers, Referees & Coaches 2022-2025. The average will be taken.

### Height

Metronome 150 beats per minute

- A) Start in a vertical position under water
- B) Up in support scull until maximum height (tempo free but minimum 4 beats)
- C) Hold vertical position for 10 beats in support scull
- D) Descent until the heels reach the surface (tempo free but minimum 4 beats)
- E) Raise up in torpedo scull until maximum height (tempo free but minimum 4 beats)
- F) Hold vertical position for 10 beats in torpedo scull
- G) Descent until the heels reach the surface (tempo free but minimum 4 beats)
- H) Raise up in <u>support scull</u> until maximum height (tempo free but minimum 4 beats)
- I) Hold vertical position for 10 beats in a support scull
- J) Descent under water

Following the AQUA Artistic Swimming Manual for Judges, Technical Controllers, Referees & Coaches 2022-2025, as well as Guiding scale for height, 1 mark will be given for each vertical c), f) and i). The lowest level of the 10 beats will be taken into consideration for the evaluation of the height. Lines will be drawn on the thighs of the swimmers respecting the levels mentioned in the AQUA manual.

NATIONAL PARTNERS

### Flexibility in the Water

Ariana (splits assessment) + Walkover (back flexibility assessment).

Focus on splits flexibility in Ariana and back flexibility during Walkover (knight and arch positions) perform in figure tempo/uniform motion.

1 mark (0.1) will be given for Ariana rotation and 1 mark (0.1) for Walkover following the criteria "guiding scale for splits" of the AQUA Artistic Swimming Manual for Judges, Technical Controllers, Referees & Coaches 2022-2025.

Scores will be given according to World Aquatics flexibility scale.

The overall flexibility average is the sum of the average arch flexibility score and the split score.

### **Routine Set**

The swimmer swims the Routine Set YOUTH as described and shown on the video on the website https://www.swiss-aquatics.ch/leistungssport/artistic-swimming/piste/

The swimmer must travel 20 meters during the Routine Set. Marks will be placed to indicate where to start and finish. If the 20 meters are not reached, a deduction of 2 points will be made from the final score. No goggles are allowed.

1 mark (0.25) will be given for the execution for each hybrid, execution for all transitional movements and performance following the AQUA Artistic Swimming Manual for Judges, Technical Controllers, Referees & Coaches 2022-2025. The average will be taken.

# 2 COMPETITION RESULTS

### FIGURES KIDS

The best total score of the following competitions will be considered for the PISTE Figures result:

- Swiss Age Group Championships qualification J3 figures
- Swiss Age Group Championships final J3 figures

At all national competitions for PISTE athletes, a 2-point penalty will be applied instead of a score of "0".

### FIGURES YOUTH

The best total score of the following competitions will be considered for the PISTE Figures result:

- Swiss Age Group Championships qualification J2 figures
- Swiss Age Group Championships final J2 figures

At all national competitions for PISTE athletes, a 2-point penalty will be applied instead of a score of "O".

# 3 ENVIROMENT

The athletes' environment is assessed on the basis of their affiliation with a recognized youth development base (NWF). When awarding the label, Swiss Aquatics Artistic Swimming requires NWF bases to fulfill many quality criteria for sustainable youth development (checklist). On average, athletes at NWF bases have a broader range of training opportunities, secure support, a higher level of performance in training, access to sports-friendly schools, advice from Swiss Aquatics Artistic Swimming, etc. A "non-NWF club" can also offer this under certain circumstances, but the probability of sustainability is higher at an NWF base (forecast). The environment (NWF base) is included in the evaluation with a factor of the total number of points depending on category. Since the environment has a greater predictive influence at younger ages compared to older ages (as the remaining career of a younger athlete is still longer), the value of the sports environment at a younger age is weighted more heavily.

# 4 RELATIVE AGE AND BIOLOGICAL STAGE OF DEVELOPMENT

Many characteristics of physical performance depend on the biological stage of development. Differences in the biological stage of development are the main cause of the relative age effect (RAE). By taking into account the biological stage of development, a fairer selection should take place and the promotion of athletes with the highest potential for the elite level should be better implemented. This fact is taken into account in the PISTE and the relative age (RA) and biological stage of development (BES) (with the Mirwald test: early, normal or late development) are taken into account.
