PRESIDENT MESSAGE

Dear Friends,

I am very happy to introduce this Information Bulletin, which contains useful practical information to help you organise your participation in the European Aquatics Junior Diving Championships which takes place in Athens on 23-29 June. I encourage our member federations to take part in this wonderful event, which will be an opportunity for young divers to gain invaluable experience of international competition. In addition, the competition venue is a famous one, the same as used in the 2004 Olympic Games when Nikolaos Siranidis and Thomas Bimis won gold in the synchronised diving 3m springboard to enter the history books.

Not only will participating delegations receive the usual warm Greek hospitality and be able to enjoy the attractions of one of the world's most famous cities, but they will also find the optimal conditions to perform at the highest level.

Our friends at the Hellenic Swimming Federation, led by European Aquatics Vice President Kyriakos Giannopoulos, are extremely experienced and as Greece has a strong culture in aquatic sports, this is certain to be a well organised and welcoming event.

You will find in this bulletin all the key facts and information to allow you to plan and organise your participation.

It remains for me to also thank the authorities in Greece, the sponsor partners and all the volunteers, without whose support our competitions could not happen.

I look forward to seeing you in Athens.

Antonio Silva
European Aquatics President
